## HAPPY RETURNS

The tour was extremely fruitful. Joys, sketch type educational tour always boost us to gain plenty of knowledge with practical views. The town was certainly blessed a tool to serve the varied species containing "Digha Mohana and Mandarmani and Talsari." It was unique experience. We all returned with heart although acquiring a diversified knowledge admixture with holy minute education from marine habitat.

~~We are all greatfull to our respected teachers without whose kind guidance and help the tour would not have been made possible.~~
