REPORT

The Cultural Competitions were held this year from 12 noon onwards on 06.02.2019 and 07.02.2019 to offer the students of the college an opportunity to showcase their talent and participate in extra-curricular events in a healthy, competitive environment. The events consisted of singing competition, dance competition, poetry recitation, clay modeling and quiz competition. The events were spread out over a span of two days. Students are encouraged to participate in the competitions so that they enjoy their college life beyond the academic sphere and also realize the value of teamwork. Each event was judged by three faculty members who evaluated the performances in an unbiased manner. The scores are calculated and results are declared on the same day. The winners will be awarded with certificates and books at the Annual Prize Distribution Ceremony.

Outcome: The students participated in a healthy competition to exhibit their talents and also learnt the value of teamwork.
