Report

The Annual Cultural Competition is held every year to offer the students of the college an opportunity to showcase their talent and participate in extra-curricular events in a healthy, competitive environment. This year, in 2022, the events took place 10.30 am onwards on 01.04.2022 and saw enthusiastic participation from all students. The events consisted of singing competition, dance competition, poetry recitation, extempore, painting, and quiz competition. Students were encouraged to participate in the competitions so that they enjoy their college life beyond the academic sphere and also realize the value of teamwork. Each event was judged by three faculty members who evaluate the performances in an unbiased manner. The scores were calculated and results are declared on the same day. The faculty members of each Department judged the events and the results were declared after the completion of each event. The winners will be awarded with certificates and books on the Annual Prize Distribution Ceremony.
