Subject: Request for organizing and collaborating COVID Vaccination Camp at College Campus of Swarnamoyee Jogendranath Mahavidyalaya

Dear Sir/Madam,

I am writing to you on behalf of the NSS unit of Swarnamoyee Jogendranath Mahavidyalaya with a humble request for organizing and collaborating on a COVID vaccination camp on 04.10.21 at 10:30 AM

In light of the ongoing pandemic, it has become imperative for us to take proactive measures to ensure the safety and well-being of our students, staff, and the surrounding community. As a responsible institution, we are deeply committed to playing our part in the fight against COVID-19.

We believe that organizing a vaccination camp would not only benefit the individuals directly involved but also contribute significantly to the collective effort of achieving community immunity. By vaccinating students, staff, and nearby villagers, we aim to create a safer environment for everyone associated with our college and the surrounding area.

We kindly request your assistance in facilitating necessary arrangements for conducting the vaccination camp, including providing vaccines, medical personnel, and other essential resources. Your expertise and guidance would be invaluable in ensuring the smooth execution of this vital initiative.

Thank you for considering our request. Please feel free to contact us for any further clarification or assistance required.

We look forward to your positive response and the opportunity to work together for a safer and healthier future.

Yours sincerely,

REPORT OF COVID VACCINATION

The NSS units of Swarnamoyee Jogendranath Mahavidyalaya arranged Vaccination camp on 04.10.2021 at our college campus for staff members and students and nearest residents adjacent to the college, in collaboration with Amdabad Health Center. More than 100 Staff members, students, and Public benefited by this event. Dr. Ratan Kr. Samanta, Principal of our college inaugurated the event. This campaign mainly organized in order to prevent the fellow beings of our college and public people to be not get affected by Covid-19 diseases. Organizing a COVID vaccination camp with the help of the NSS (National Service Scheme) and health centers had numerous positive outcomes. These include:

1. Such camps helped students, staff to take vaccination besides reach underserved communities and increase the number of people vaccinated, contributing to herd immunity.
2. NSS involvement boost community engagement and trust in the vaccination process, encouraging more people to participate.
