## Report of the Awareness Campaign on AIDS

The NSS unit of Swarnamoyee Jogendranath Mahavidyalaya organized an AIDS Awareness Campaign door to door on December 1, 2022, at 11 pm, in adopted village Barimal. The event aimed to educate the villagers about HIV/AIDS, its prevention, and the importance of getting tested. The campaign began with informative sessions conducted by our teachers and NSS volunteers. They discussed the transmission modes, symptoms, and preventive measures in detail. The campaign included educational sessions, distribution of informational materials, and interactive activities to raise awareness about HIV/AIDS prevention, transmission, and stigma. Villagers were encouraged to ask questions and share their concerns, fostering an open dialogue about the AIDs. After campaigning more than 40 houses the program ended. The outcome included increased awareness among villagers about HIV/AIDS transmission, prevention methods, and the importance of testing. Additionally, the campaign likely promoted destigmatization and encouraged individuals to seek medical assistance if needed.
