Report of Career Counselling Programme

On 16.03.2021, NSS unit and Students' Welfare Committee jointly organised a workshop on Career Exploration for College Students. The resource person for this event was Prof. Parimal Mandal, The workshop aimed to provide students with insights and strategies for exploring various career paths, understanding their strengths, and making informed decisions about their future careers.

Prof. Mandal began the session by discussing the importance of understanding different career paths. He emphasized that career exploration is an ongoing process that involves: Identifying one's interests, strengths, values, and personality traits, gathering information about various careers, required skills, job outlook, and work environments, gaining experience through internships, part-time jobs, or volunteering. Dr. Mandal highlighted the significance of choosing a career that aligns with one's personal strengths and passions. He shared various self-assessment tools and resources that students can use to discover their inherent abilities and interests. Mr. Mandal provided a step-by-step guide to effective career planning and showed job search techniques . Total 96 students alongwith staff joined the programme. At the end of the session the students cleared their doubts by asking various questions regarding the confusions, they usually face while deciding their career. The program ended with a vote of thanks by Prof. Arpita Majumder.

All the students were highly motivated and enlightened about various opportunities after completing their Course. It was a very informative session for the students and faculty members who attended it.
