SWARNAMOYEE JOGENDRANATH MAHAVIDYALAYA

Govt. Aided General Degree College | Estd.: 2014

At+P.O.: Amdabad, P.S.: Nandigram, Dist.: PurbaMedinipur, PIN 721650

www.sjmahavidyalaya.in | Email: sjmahavidyalaya@gmail.com

Course Description:

This certificate course delves into the complex relationship between health inequalities and social justice. Participants will critically analyse the root causes of health disparities, exploring the role of social, economic, political, and environmental factors. Through case studies, discussions, and interactive sessions, students will examine strategies for promoting health equity and fostering social justice in healthcare systems and policies.

Duration: 30hrs, Course starts from 28th September, 2022 to 12th January, 2023.

Eligibility: H.S. Passed

Admission: Application form will be issued from the Department of Sociology, Swarnamoyee Jogendranath Mahavidyalaya. Filled in application form shall be submitted at the Department within 19.09.2022 to 24.09.2022. Admission shall be first come first serve basis.

Course Fee: Nil.

**Add-On Course
On
'Health Inequalities
and Social Justice'**

Department of Sociology,

Course Outcome: Students will comprehend health inequalities, analyze social determinants of health, recognize the impact of intersectionality and structural racism, understand economic and environmental influences, evaluate barriers to healthcare access, assess disparities in healthcare delivery, advocate for policy changes, and engage communities to promote health equity effectively.

Title: Health Inequalities and Social Justice

Course Description:

This certificate course delves into the complex relationship between health inequalities and social justice. Participants will critically analyze the root causes of health disparities, exploring the role of social, economic, political, and environmental factors. Through case studies, discussions, and interactive sessions, students will examine strategies for promoting health equity and fostering social justice in healthcare systems and policies.

Syllabus

Course Outline:

Unit 1: Introduction to Health Inequalities and Social Justice (3 hours)

- Understanding the concept of health inequalities
- Exploring the principles of social justice in healthcare
- Overview of key theories and frameworks

Unit 2: Social Determinants of Health (3 hours)

- Examining the impact of social, economic, and environmental factors on health outcomes
- Understanding the concept of the social determinants of health
- Analyzing disparities in access to healthcare services

Unit 3: Intersectionality and Health (3 hours)

- Exploring how intersecting social identities (e.g., race, gender, class) contribute to health disparities
- Understanding the concept of intersectionality in healthcare
- Case studies highlighting intersectional approaches to addressing health inequalities

Unit 4: Structural Racism and Health (3 hours)

- Analyzing the role of structural racism in perpetuating health inequities
- Examining policies and practices that contribute to racial disparities in healthcare
- Strategies for dismantling structural racism in healthcare systems

Unit 5: Economic Inequality and Health

(3 hours)

- Examining the relationship between economic inequality and health outcomes
- Analyzing the impact of poverty, unemployment, and income inequality on health
- Exploring policies and interventions to address economic disparities in healthcare

Unit 6: Environmental Justice and Health

(3 hours)

- Understanding how environmental factors impact health disparities
- Examining environmental injustices and their effects on marginalized communities
- Strategies for promoting environmental justice and improving community health

Unit 7: Access to Healthcare and Health Equity

(3 hours)

- Analyzing barriers to healthcare access, including geographic, financial, and cultural factors
- Exploring strategies to improve healthcare access and promote health equity
- Case studies highlighting successful approaches to expanding healthcare access

Unit 8: Social Justice in Healthcare Delivery

(3 hours)

- Examining disparities in healthcare delivery and quality of care
- Understanding implicit bias and its impact on healthcare outcomes
- Strategies for promoting culturally competent and equitable healthcare services

Unit 9: Policy Advocacy for Health Equity

(3 hours)

- Exploring the role of policy advocacy in addressing health inequalities
- Analyzing advocacy campaigns and policy interventions aimed at promoting health equity
- Developing skills for effective policy advocacy in healthcare

Unit 10: Community Engagement and Health Equity

(3 hours)

- Understanding the importance of community engagement in promoting health equity
- Examining community-based approaches to addressing health disparities
- Strategies for fostering partnerships and collaboration for health equity initiatives
