Action taken report on the **feedback analysis** by the IQAC 2022-2023

Institution obtains feedback on the academic performance and ambience of the institution from various stakeholders, such as Students, Teachers, Parents, etc.

FILLED-IN FEEDBACK FORMS collected from the stake holders on 1) **Curriculum**, 2) **Department** and 3) **Overall development of the college** (Parents' feedback). The received feedback is thoroughly analysed and appropriate actions are taken by the IQAC

Decisions proposed by the Internal Quality Assurance Cell(IQAC) (IQAC Meeting No. 08, dated: 06.06.2023)

1. Analysis of feedback on curriculum taken from students and teachers (2022-23)

After analyzing the feedback, the house unanimously decided that a **proposal** comprising the points mentioned below **will be sent to the Governing Body** for taking initiatives to improve the curriculum and enhance curriculum delivery:

- The curriculum should be redesigned to enhance the employability of students to facilitate their entry into the job market.
- The emphasis on case studies and fieldwork be augmented in the curriculum which will help a student acquire practical experience in applying acquired knowledge appropriately in real-life situations.
- The curriculum should be reframed by including more Skill Enhancing contents in all subjects to increase employability of the students.

- The college enter into Memoranda of Understanding with appropriate academic and industrial institutions to facilitate faculty exchange, visits to industrial institutions, partnerships with industry. This would serve to broaden the perspective of students about choosing appropriate academic and professional paths.
- The library's collection of reference books be enhanced. Books and media directly related to the curriculum and books and media useful in preparing for competitive examinations.

2. Analysis of feedback on Department taken from students and teachers (2022-23)

After analyzing the feedback, the house unanimously decided that a proposal will be sent to the departments of the college for taking initiatives to improve the academic progress from their end, and that a copy of this proposal shall be sent to the college authority. The proposal comprised the following:

- With the objective to augment the knowledge and skill of students beyond the curriculum, add-on, certificate, value-added, skill development courses be organized consistently by the departments.
- Since 'RESEARCH' has been included in the UG Programme as per NEP 2020, workshops on Research Methodology be organized from time to time.
- Though employability is recognized within the curriculum, activities like workshops, internships, career counselling sessions, field work be organized regularly as these would considerably enhance students' employability.
- Classes be taken with increased use of ICT tools.

3. Analysis of feedback taken from parents (2022-23)

After analyzing the feedback, the house unanimously decided that a proposal comprising the following points will be sent to the Governing Body for overall development of the college:

- The number of classrooms be increased
- At least 4 classrooms be transformed into ICT-enabled classrooms
- The laboratories be furnished with more equipments

- The construction of permanent college building be completed as soon as possible
- Teaching aids available in the classroom be increased
- To enhance students' employability, books for preparing for competitive examinations should be acquired for the library
- Provision for a minimum of 10 computers fully dedicated for use by students
- Steps be taken for repairing the road connected with the college and improving the transport system, to facilitate students' attendance

Action taken report on the feedback analysis by the Governing Body 2022-2023

Institution obtains feedback on the academic performance and ambience of the institution from various stakeholders, such as Students, Teachers, Parents, etc. **FILLED-IN FEEDBACK FORMS** collected from the stake holders on 1) **Curriculum**, 2) **Department** and 3) **Overall development of the college** (Parents' feedback). The proposal submitted by the IQAC is thoroughly discussed and appropriate actions are taken by the Governing Body.

Decisions taken by the Governing Body

(GB Meeting No. 44 : Item No. 7(a), 7(b) & 7(c) : Date: 10.10.2023)

ITEM No. 7(a)

Unanimously resolved that the proposal of the IQAC will be sent to Vidyasagar University for taking initiatives to improve the curriculum. The proposal contains the following points-

- The curriculum be revised to enhance the employability of students to facilitate their entry into the job market.
- The emphasis on case studies and fieldwork be augmented in the curriculum which will help a student to acquire practical experience in applying acquired knowledge appropriately in real-life situations.
- The curriculum be reframed by including more Skill Enhancing contents in all subjects to increase employability of students.

ITEM No. 7(b)

Resolved that despite the financial crisis, the college authority will continue to make efforts to improve the following matters as far as possible. Principal also be requested to take initiatives in this regard.

- (i) The number of classrooms be increased
- (ii) At least 4 classrooms be transformed into ICT-enabled classrooms
- (iii) The laboratories be furnished with more equipment
- (iv) The construction of permanent college building be completed as soon as possible
- (v) Teaching aids available in the classroom be increased
- (vi) To enhance students' employability, books for preparing for competitive examinations should be acquired for the library
- (vii) Provision for a minimum of 10 computers fully dedicated for use by students
- (viii) Steps to be taken for repairing the road connected with the college and improving the transport system, to facilitate students' attendance

ITEM No. 7(C)

It is noted that the IQAC has recommended the following proposals to the departments for academic enhancement. Governing Body convey Thanks to the IQAC for taking such initiatives on students feedback analysis on department.

- (i) With the objective to augment the knowledge and skill of students beyond the curriculum, add-on, certificate, value-added, skill development courses be organized consistently by the departments.
- (ii) Since 'RESEARCH' has been included in the UG Programme as per NEP 2020, workshops on Research Methodology be organized from time to time.
- (iii) Though employability is recognized within the curriculum, activities like workshops, internships, career counselling sessions, field work be organized regularly as these would considerably enhance students' employability.
- (iv) Classes be taken with increased use of ICT tools.
