Submission of Feedback Analysis Report of IQAC to the Principal to be placed in the Governing Body of the college 2022-2023

After analysing the feedback collected from students, parents and teachers, the members of the IQAC in its meeting, meeting no. 08, dated 06.06.2023 unanimously decided that the following proposal will be sent to the **Governing Body** for taking initiatives to improve the **curriculum** and for **overall development** of the college from their end. The proposal comprised the following points-

1. Regarding the curriculum:

- The curriculum be should be redesigned to enhance the employability of students to facilitate their entry into the job market.
- The emphasis on case studies and fieldwork be augmented in the curriculum which will help a student to acquire practical experience in applying acquired knowledge appropriately in real-life situations.
- The curriculum be reframed by including more Skill Enhancing contents in all subjects to increase employability of students.
- The college enter into Memoranda of Understanding with appropriate academic and industrial institutions to facilitate faculty exchange, visits to industrial institutions, partnerships with industry. This would serve to broaden the perspective of students about choosing appropriate academic and professional paths.
- The library's collection of reference books be enhanced. Books and media directly related to the curriculum and books and media useful in preparing for competitive examinations

2. Regarding the Department:

- With the objective to augment the knowledge and skill of students beyond the curriculum, add-on, certificate, value-added, skill development courses be organized consistently by the departments.
- Since 'RESEARCH' has been included in the UG Programme as per NEP 2020, workshops on Research Methodology be organized from time to time.
- Though employability is recognized within the curriculum, activities like workshops, internships, career counselling sessions, field work be organized regularly as these would considerably enhance students' employability.
- Classes be taken with increased use of ICT tools.

3. Regarding the overall development of the college:

- The number of classrooms be increased
- At least 4 classrooms be transformed into ICT-enabled classrooms
- The laboratories be furnished with more equipment
- The construction of permanent college building be completed as soon as possible
- Teaching aids available in the classroom be increased
- To enhance students' employability, books for preparing for competitive examinations should be acquired for the library
- Provision for a minimum of 10 computers fully dedicated for use by students
- Steps to be taken for repairing the road connected with the college and improving the transport system, to facilitate students' attendance

Subject: Request for considering the proposal of reframing the current CBCS curriculum of the B.A./B.Sc. Programme(UG).

Sir,

I am submitting herewith the letter mentioning the proposals regarding the curriculum made by the members of the Governing Body of the college, on the basis of feedback on curriculum collected from different stakeholders-

- The present curriculum should be redesigned to enhance the employability of students to facilitate their entry into the job market.
- The emphasis on case studies and fieldwork be augmented in the curriculum which will help a student to acquire practical experience in applying acquired knowledge appropriately in real-life situations.
- The curriculum be reframed by including more Skill Enhancing contents in all subjects to increase employability of students.

May I therefore, request you to consider the above matter and to take initiatives in reframing the current CBCS curriculum of the UG programme. A copy of self declaration regarding the subjects/courses are taught upto the current session, i.e. 2023-2024 is attached herewith.

Your Sincerely,

[Signature] 22.11.2023
