ZOOLOGICAL EXCURSION

1

Zoological Excursion is aimed acquiring knowledge in their own habitat, their life cycle pattern, their behaviour and their interaction. As student not only gain knowledge about the habitat Masine area in case of our trip but also to have a glance of the diversity of these animal kingdom each in its own niche and a greater areas of habitat and in the ecosystem stay its important roles. Thus zoological excursion is not only a pleasure trip for us but a learning for a student of zoology. It is also a exciting and memorable memory for us.

HAPPY RETURNES

The tour was extremely fruitful joyous one. such type of educational tour always boost us to gain plenty of knowledge with practical views. The tour was certainly blessed a tool to serve the varied species containing 'Digha Mohona' and Man darmani and Talsari.' It was unique experiance. We all returned with hearts although, acquinning a diversified knowledge admixture with holy minute education from Marine habitat.

We are all greatful to our respected teachers without whose kind guidance and help the tour would not have been made possible.
