Report of Workshop on Career Opportunities after Graduation

A One day Workshop on Career Opportunities after Graduation was organized by NSS Unit-I in collaboration with IQAC and Students' Welfare Committee and Career Counselling Cell of Swarnamoyee Jogendranath Mahavidyalaya on Tuesday 31.05.2022, at 2 pm. 98 students participated in this workshop, the principal of the college, Dr. Ratan Kumar Samantha told about various employment opportunities for the students. Dr. Parimal Mandal, Head of Department of Sanskrit presented his valuable views on various state and central government competitive examinations, various scholarships for higher education, private employment etc. through a power point presentation to the students. The Head of the Department of Geography, Aparesh Mandal, discussed in detail about the Common University Entrance Test (CUET) 2022.

All the students were highly motivated and enlightened about various opportunities after completing their Course. It was a very informative event for the students and faculty members who attended the session.

CAREER PLANNING

is a deliberate process of knowing WHO you are so that you can be sure of WHERE you want to go or WHAT you want to be at some defined point in the future.

FIVE STEPS OF CAREER PLANNING

- 1st Step: Self-Assessment**
- 2nd Step: Explore Work/Career Options**
- 3rd Step: Narrow Down List of Work/Career Options**
- 4th Step: Decide or Choose the Best Option**
- 5th Step: Set a Career Goal**

1st Step:

Self-Assessment

Knowing and understanding of self better to know if you are in the right job/career or you want to go to another job.

- Attitude**
- Interests**
- Personality**
- Needs**
- Values**
- Skills**

2nd Step:

Work/Career Exploration

Matching and aligning what you want to do on one hand, and with the various opportunities, on the other.

Where to explore

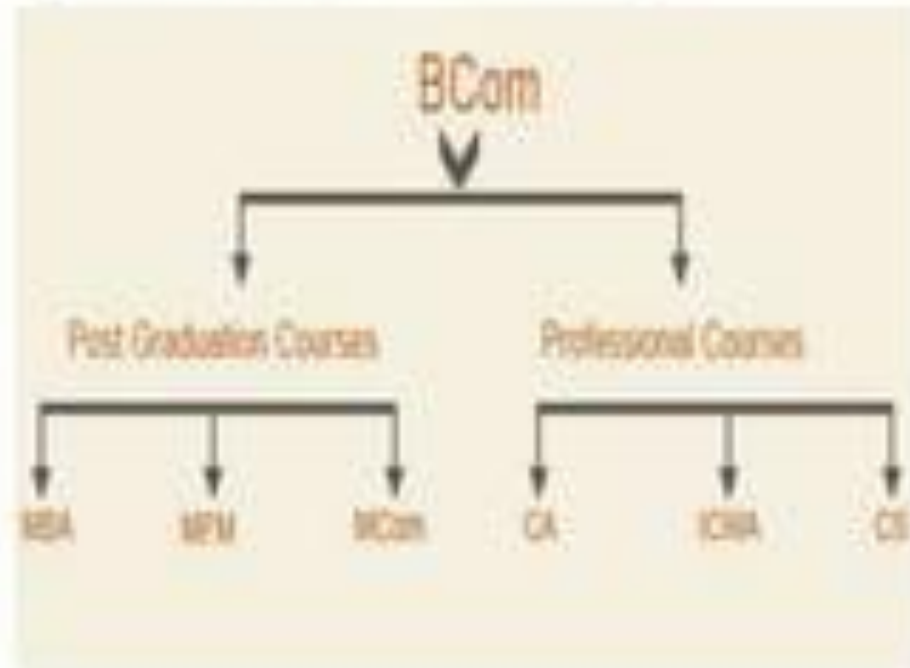

- Look at opportunities within your organization and its subsidiaries
- Look at career opportunities in other organizations and in other industries
- Look at entrepreneurial and self-employment opportunities
- Look at jobs/careers of people you know of those you read about or see

3rd Step: **Narrow Down List of Work/Career Options**

List down three to five career options that match with your interest, personality, needs, values and skills, on one hand and the opportunities and limitations, on the other.

Job opportunities after B.Com

Graduation

- * Insurance
- * IT&ITES jobs
- * FMCG management job
- * BPO job
- * Financial services
- * Marketing
- * Banking
- * Railway recruitment board.
- * Staff selection commission.
- SAIL, * BHEL, * BSNL....etc.
- * Financial accounting in govt sector like
 - * CDS.
 - * DRDO.

CHARTERED ACCOUNTANTS

Introduction

- Chartered Accountants are found to be working in private practice or as employed in a firm. The range of work in private practice can vary enormously according to the size and place (city) of practice.

Working Conditions

- Accounting is essentially a desk job.
- Concentration and attention to detail are critical.

Personality

- Accountants must have good numerical ability and should enjoy working with numbers. An analytical mind to interpret data, a logical and methodical approach helps them present their finding accurately.

COST & MANAGEMENT ACCOUNTANTS (ICWA)

Introduction

- A Management accountant collects, organises, collates and analyses information from all parts of the organization, including all the financial departments.

Personality

- *Cost and Management accountancy like other accountancy jobs is a desk job. Analytical and judgement skills are the most important requirements. They need to apply their knowledge for assessing different kinds of situations and suggesting the right kind of cost prescriptions, an objective outlook is very necessary.*

COST & MANAGEMENT ACCOUNTANTS (ICWA)

Introduction

- A Management accountant collects, organises, collates and analyses information from all parts of the organization, including all the financial departments.

Personality

- *Cost and Management accountancy like other accountancy jobs is a desk job. Analytical and judgement skills are the most important requirements. They need to apply their knowledge for assessing different kinds of situations and suggesting the right kind of cost prescriptions, an objective outlook is very necessary.*

STOCK BROKERS & INVESTMENT ANALYSTS - 1

Introduction

- Stock exchanges are like market places where stockbrokers buy and sell securities for individuals or institutions.
- The work of stock brokers has become a challenging one as it incorporates specialised knowledge as well as professional acumen.
- Stock market and related functioning has become computerised which obviously demands information management skills.

BANKING - 1

Introduction

- Bank managers have the responsibility for running the branch, managing their staff and for generating profits.

Personality

- It should be observed that most of the same aptitudes, interests, and educational qualifications useful in banking are also utilised in other financial institutions such as bank clearing house associations, insurance companies, savings and loan associations, credit unions, instalment loan companies, investment and mortgage companies, financial and fiscal departments of corporations, and in such government institutions as Reserve Bank, Insurance corporation and export-import bank.

LAW & COMPANY SECRETARY

Courses & Work Area

- Company Secretary handles law, tax and manages the company.
- Institute of Company Secretaries of India
 - Member: Prelim, Intermediate, Final Courses
- Courses: Business, Accountancy, Management, Laws
- Law: Civil, International, Labour, Tax
- National Law School, Bangalore (Advt.: March)
- 5 Year B.A LLB – After +2
- 3 Year LLB – After graduation

HUMAN RESOURCE / PERSONNEL MANAGEMENT

Introduction

- Personnel officers are responsible for selecting the right people and helping to make sure that they are managed effectively. The work of personnel officers can differ considerably from one organization to another.

Personality

- *Personnel officers spend most of their time in offices attending meetings and individual members of staff. They travel locally and to other sites such as branch offices.*

MARKET RESEARCH

Introduction

- Market Research involves data collection and data interpretation required for analysis and predictions for guiding business and related decisions. Research is conducted for assessing consumer opinion related to brand name, trademark, product design, packaging, etc. for providing services to a company for its marketing and new product ventures.

Working Conditions

- Requires minimum of a 40 hour office work.

Personality

- *They require an analytical mind, numerical aptitude, good communication and peoples skills.*

Retail Marketing

Retail marketing unlike the traditional family run stores have the classic – 4 Ps (Product, promotion, price and place). Retail management has a fifth – People – who play a critical role, be it as employees who run the business, or as consumers whose needs are being serviced by these employees.

Digital Marketing

- **Digital marketing** is an umbrella term for the **marketing** of products or services using **digital** technologies, mainly on the Internet, but also including mobile phones, display advertising, and any other **digital** medium.

FINANCE MANAGEMENT

Introduction

- Working conditions in financial institutions are comfortable and pleasant. Offices are equipped with computer systems and are generally well maintained.

Personality

- *Superior analytical and logical ability is needed to become a finance manager besides mathematical ability and the acumen to plan, interpret and predict*
