SPECIAL LECTURE ON DIGITAL EDUCATION 06.01.2023

Title: Special Lecture on Digital Education

Date: 06.01.2023

Venue: Room no 16, Swarnamoyee Jogendranath Mahavidyalaya

Presenter: Dr Durba Basu, Assistant Professor and Head, Department of English

Number of Attendees: 90

Introduction: The lecture on digital education was organized as a part of Students' Week 2023, on 06.01.2023 at 2 pm. The Programme Co-ordinator welcomed the speaker Dr Durba Basu and invited her to deliver her lecture on this relevant subject.

Dr Basu's lecture on digital education presented a comprehensive exploration of the transformative potential of technology in reshaping educational paradigms. The discourse delved into various facets, ranging from the integration of digital tools to the democratization of learning opportunities.

Key Insights:

- Digital Pedagogy:** Dr Basu emphasized the importance of adopting a pedagogical approach tailored to the digital landscape. This entails leveraging technology not merely as a supplement but as an integral component of the learning experience. Strategies such as flipped classrooms, gamification, and personalized learning pathways were discussed as effective means to engage learners in digital environments.
- Inclusive Access:** A recurring theme throughout the lecture was the imperative of ensuring equitable access to digital education. The presenter underscored the role of technology in overcoming barriers to learning, particularly for marginalized communities and learners with diverse needs. Initiatives such as open educational resources (OER) and adaptive learning platforms were spotlighted as vehicles for fostering inclusivity.

Outcomes: The outcomes of the lecture on digital education were multifaceted and impactful, contributing to both individual learning and broader educational initiatives. Here are some key outcomes:

1. **Increased Awareness:** Attendees gained a deeper understanding of the transformative potential of technology in education. By exploring innovative pedagogical approaches and emerging digital tools, participants developed heightened awareness of the possibilities for enhancing teaching and learning experiences.
2. **Enhanced Pedagogical Practices:** Educators were inspired to integrate digital tools and strategies into their teaching practices. The lecture provided practical insights and examples, empowering educators to adopt innovative approaches such as flipped classrooms, gamification, and adaptive learning systems to engage learners more effectively.
3. **Empowerment of Learners:** Learners benefited from increased access to digital resources and personalized learning experiences. By leveraging technology, educators were better equipped to cater to diverse learning styles and individual needs, fostering a more inclusive and empowering learning environment.

At the end of the programme, the Co-ordinator thanked Dr Basu for her insightful deliberation and important insights into the subject of digital education.
