OBJECTIVES OF THE COLLECTION OF RELIEF FUND FOR KERALA

The Kerala Relief Fund, also known as the Kerala Flood Relief Fund, was established to provide financial assistance to the people of Kerala, India who were affected by the severe floods and landslides that occurred in August 2018. The objectives of the collection of Kerala Relief Fund are:

To provide immediate relief to the affected people: The fund aimed to provide immediate assistance to the people who were displaced, injured, or affected by the floods, including providing food, shelter, clothing, and medical aid.

To support rescue and relief operations: The fund was used to support rescue and relief operations carried out by the government, NGOs, and other organizations to reach the affected areas and provide essential services.

To rehabilitate damaged infrastructure: The fund was used to repair and rebuild damaged roads, bridges, buildings, and other critical infrastructure to restore normalcy in the affected areas.

To support livelihood restoration: The fund aimed to support the restoration of livelihoods of farmers, fishermen, and small-scale entrepreneurs who were severely affected by the floods.

To provide medical care: The fund was used to provide medical care and treatment to those who were injured or sick due to the floods.

To support education: The fund was used to support education-related activities, such as providing school supplies and rebuilding schools that were damaged or destroyed during the floods.

To support rehabilitation of affected communities: The fund aimed to support the rehabilitation of affected communities by providing assistance for housing, sanitation, and other basic needs.

To promote sustainable development: The fund was used to promote sustainable development in the affected areas by supporting projects that focused on disaster risk reduction, climate resilience, and sustainable agriculture practices.

To ensure equity and inclusivity: The fund aimed to ensure that assistance reached all sections of society, including marginalized communities, women, children, and people with disabilities.

To promote international cooperation: The fund was used to promote international cooperation and solidarity with other countries and organizations that provided support to Kerala during the crisis.

Overall, the Kerala Relief Fund was established to provide comprehensive support to the people of Kerala who were affected by the devastating floods and landslides in 2018.

Objectives of Distribution of Relief Goods for Flood Affected People

The National Service Scheme (NSS) unit of Swarnamoyee Jogendranath Mahavidyalaya has set the following objectives for distributing relief goods to flood-affected people:

Immediate Relief: To provide immediate assistance to the flood-affected people, including food, clothing, shelter, and medical aid, to help them survive the initial crisis.

Enhance Humanitarian Aid: To distribute relief goods such as dry rations, water, blankets, and other essential items to support the affected families and communities.

Community Empowerment: To empower the local communities by providing them with the necessary resources and support to rebuild their lives and livelihoods.

Support Local Initiatives: To support local initiatives and efforts to rebuild and restore damaged infrastructure, such as roads, bridges, and homes.

Long-term Rehabilitation: To provide long-term support to the affected communities by distributing goods and resources that can help them rebuild their lives and communities in the long term.

Promote Social Harmony: To promote social harmony and unity among the affected communities by providing a sense of hope and reassurance during a difficult time.

Enhance Awareness: To raise awareness about the importance of disaster preparedness, mitigation, and response among the students and local communities.

Capacity Building: To build capacity among the NSS volunteers and local community members to respond effectively to future disasters and emergencies.

Partnership Building: To build partnerships with local organizations, government agencies, and other stakeholders to ensure a coordinated response to the disaster relief efforts.

Documentation: To document the relief efforts, including the distribution of goods, services, and other forms of assistance provided to the flood-affected people.

By achieving these objectives, the NSS unit of Swarnamoyee Jogendranath Mahavidyalaya aims to make a positive impact on the lives of those affected by the flood disaster.

Objectives of the Cleanliness Drive at Amdabad Primary Health Center

The National Service Scheme (NSS) Unit of Swarnamoyee Jogendranath Mahavidyalaya has organized a cleanliness drive at Amdabad Primary Health Centre. Here are some objectives of the event:

Promote Cleanliness: The primary objective is to create awareness among the public, especially students, about the importance of cleanliness and hygiene in maintaining a healthy environment.

Swachhata: To make the Primary Health Centre (PHC) and its surroundings a clean and hygienic place, free from litter and waste.

Health Education: To educate people about the role of cleanliness in preventing the spread of diseases and maintaining overall health.

Community Engagement: To engage with the local community, including students, teachers, and patients, in cleaning activities to foster a sense of ownership and responsibility towards cleanliness.

NSS Motivation: To motivate NSS volunteers to take up social responsibilities and contribute to the betterment of society through community service.

Raising Awareness: To raise awareness about the importance of proper disposal of waste, segregation of waste, and recycling.

Building Partnerships: To build partnerships between the college, PHC, and local authorities to ensure sustainable development and maintenance of cleanliness standards.

Empowering Youth: To empower youth through service-learning experiences, enabling them to take charge of their own health and well-being, as well as that of their community.

Creating a Healthy Environment: To create a healthy environment by promoting cleanliness, sanitation, and hygiene practices, which are essential for overall well-being.

Encouraging Sustainable Practices: To encourage sustainable practices among students and community members by promoting eco-friendly habits and reducing waste generation.

Objectives of the Cleanliness Drive at Adopted Village Barimal:

Here are some potential objectives of a cleanliness drive at an adopted village Barimal by an NSS Unit of Swarnamoyee Jogendranath Mahavidyalaya:

Create awareness about the importance of cleanliness and hygiene: To educate the villagers about the significance of cleanliness in maintaining a healthy and hygienic environment.

Improve the overall sanitation and hygiene conditions: To identify and address specific areas of concern, such as garbage disposal, drainage systems, and waste management, to improve the overall sanitation and hygiene conditions in the village.

Promote community participation and ownership: To engage the local community in the cleanliness drive and encourage them to take ownership of their environment, thus fostering a sense of responsibility and pride in their village.

Reduce pollution and environmental degradation: To reduce the amount of trash and pollutants in the village, thereby preventing environmental degradation and promoting a cleaner and healthier environment.

Foster a sense of social responsibility: To instill a sense of social responsibility among the students, faculty, and villagers to contribute to the betterment of their community.

Improve public health: To improve public health by reducing the spread of diseases caused by poor sanitation and hygiene conditions.

Develop leadership skills: To provide opportunities for students to develop leadership skills, teamwork, and communication skills through organizing and participating in the cleanliness drive.

Promote community development: To contribute to the overall development of the village by addressing specific needs and concerns, such as waste management, water supply, and infrastructure development.

Encourage sustainable practices: To promote sustainable practices, such as recycling, composting, and proper waste disposal, to minimize waste generation and reduce the impact on the environment.

Build relationships with the local community: To strengthen relationships between the college and the local community by engaging in a shared activity that benefits both parties.

These objectives can serve as a starting point for planning a successful cleanliness drive at Barimal village by an NSS Unit of Swarnamoyee Jogendranath Mahavidyalaya

Objectives of the Cleanliness Drive at Gholpukur Market:

The NSS (National Service Scheme) unit of Swarnamoyee Jogendranath College organized a cleanliness drive at Gholpukur Market. Here are the objectives of the cleanliness drive:

- 1. Maintaining Sanitation and Hygiene:** The primary objective was to maintain a clean and hygienic environment in the market area, ensuring that the surroundings are free from litter and filth.
- 2. Promoting Environmental Awareness:** The cleanliness drive aimed to raise awareness among the public about the importance of maintaining a clean environment and the impact of littering on public health and aesthetics.
- 3. Community Engagement:** The event sought to engage the local community in cleaning activities, promoting a sense of ownership and responsibility among residents, shopkeepers, and visitors to keep their surroundings clean.
- 4. Improving Public Health:** By removing garbage and debris from the market area, the drive aimed to reduce the risk of disease transmission and improve overall public health.
- 5. Enhancing Community Pride:** The cleanliness drive aimed to instill a sense of pride among community members about their neighborhood, encouraging them to take pride in their surroundings and work towards keeping them clean.
- 6. Encouraging Sustainable Practices:** The event aimed to promote sustainable practices such as proper waste segregation, recycling, and minimizing single-use plastics to reduce waste generation.
- 7. Youth Involvement:** To involve youth volunteers in community service, fostering a sense of responsibility and civic duty.
- 8. Support Local Authorities:** To support the efforts of local authorities in maintaining public spaces and ensuring community well-being.

By achieving these objectives, the cleanliness drive organized by the NSS unit of Swarnamoyee Jogendranath Mahavidyalaya contributed to creating a cleaner, healthier, and more beautiful environment for the local community at Gholpukur Market.

Objectives of Free Health Check up

Here are some potential objectives of the free health checkup camp organized by the NSS unit of Swarnamoyee Jogendranath Mahavidyalaya:

Primary Objectives:

- 1. To provide free medical assistance to underprivileged students and villagers:** The primary objective is to offer free health checkups to students and villagers who may not have access to regular healthcare services due to financial constraints.
- 2. Promote preventive healthcare:** The camp aims to promote preventive healthcare by detecting and treating minor health issues before they become major problems.

Secondary Objectives:

- 1. Raise awareness about healthy living:** The camp will also raise awareness about the importance of healthy living, nutrition, and hygiene practices among students and villagers.
- 2. Improve overall well-being:** By providing free medical checkups, the camp will improve the overall well-being of students and villagers, enabling them to lead healthier and more productive lives.
- 3. Build community relationships:** The camp will foster stronger relationships between the college, local communities, and villagers, promoting a sense of social responsibility and community engagement.
- 4. Empower students through community service:** Participating in the camp will provide NSS students with an opportunity to engage in community service, developing their social and communication skills.
- 5. Identify and address health concerns:** The camp will help identify health concerns in the local community and provide referrals for further treatment or medication as needed.

Additional Objectives:

- 1. Collaborate with local healthcare providers:** The camp will facilitate collaboration between local healthcare providers, including doctors, nurses, and other medical professionals, to ensure that patients receive quality care.
- 2. Collect data on health issues:** The camp will collect data on common health issues affecting the local community, which can inform future public health initiatives and policies.
