Agendum-3: Induction Meeting for the students of 1st semester

Resolution: Classes of 1st semester are going to start on 29.08.2025. Since, the students of 1st semester are freshers, it is resolved that the Hon'ble Principal be requested to organize an induction meeting to acquaint the freshers with the rules, regulations and overall environment of the college.

Agendum-4: Analysis of feedback on curriculum taken from students and teachers(2024-25)

Resolution: After reviewing the feedback, the house reached a unanimous decision to forward a proposal containing the following suggestions to the Governing Body for initiating measures aimed at improving the curriculum and strengthening curriculum delivery:

- The curriculum should incorporate additional Skill Enhancement Courses across all subjects to improve students' employability.
- The curriculum should be designed in a way that effectively prepares students for competitive examinations.
- Specific modules should be included in the curriculum to help students prepare for entrance examinations for higher studies.
- The inclusion of more case studies, fieldwork, and similar activities in the curriculum should be encouraged to provide students with practical exposure and help them deal with real-life situations effectively.
- The number of classrooms should be increased.
- At least five classrooms should be upgraded into ICT-enabled classrooms.
- The laboratories should be equipped with more essential equipment.
- The construction work of the college building should be completed at the earliest.
- The availability of teaching aids in classrooms should be enhanced.
- To make students more competitive in the job market, books related to competitive examinations should be added to the central library.

Agendum-5: Analysis of feedback on Department taken from students (2024-25)

Resolution: After examining the feedback, the house unanimously resolved that a proposal would be forwarded to the departments of the college requesting them to undertake necessary initiatives from their side to enhance academic progress, and that a copy of the same proposal would also be submitted to the college authority. The proposal included the following recommendations:

- With the aim of enriching students' knowledge and skills beyond the prescribed curriculum, the departments should regularly organize certificate courses, value-added courses, and skill development programmes.
- As 'Research' has been introduced in the Undergraduate Programme under NEP 2020, workshops on Research Methodology should be conducted periodically.
- Although employability aspects are incorporated within the curriculum, activities such as workshops, internships, career counselling sessions, and fieldwork should be arranged on a regular basis, as these would significantly improve students' employability prospects.
- Greater use of ICT tools should be encouraged while conducting classes.

MEETING RESOLUTION BOOK

Agendum-6: Analysis of feedback taken from **parents** (2024-25)

Resolution: After reviewing the feedback, the house unanimously resolved that a proposal containing the following suggestions would be forwarded to the Governing Body for the overall development of the college:

- The number of classrooms should be expanded.
- At least four classrooms should be converted into ICT-enabled classrooms.
- The laboratories should be equipped with additional necessary equipment.
- The construction of the permanent college building should be completed at the earliest possible time.
- The availability of teaching aids in classrooms should be enhanced.
- To improve students' employability, the library should procure books related to preparation for competitive examinations.
- A provision should be made for at least ten computers exclusively dedicated to student use.

Agendum-7: Analysis of feedback taken from **Alumni** (2024-25)

Resolution: After reviewing the feedback, the house unanimously resolved that a proposal containing the following recommendations would be forwarded to the Governing Body for the overall improvement and development of the college:

- The college should organize computer-based skill development courses for students.
- To enhance students' competitiveness in the job market, books related to competitive examinations should be added to the central library.

Agendum-8. Miscellaneous

Resolution: As there is no such matter to discuss, the meeting comes to an end with a vote of thanks to and from the chair.
